Summer Quest

Space Quest

Photo Feature. Kids discover the God of the Universe as they walk through the gospel at Space Quest June 5-9. Day 1, kids learned about creation, and how the relationship between God and people began, Day 2 covered how that relationship was broken when Adam and Eve sinned, and Day 3 explored the promised restoration when God sent Jesus to be the savior of the world. On Day 4, kids learned how our relationship with God is restored through Christ's death on the cross for our sins, and Day 5 is about how that relationship continues, and the truth that God will never leave us and loves us.

"He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities – all things were created through him and for him."

-Colossians 1:15-16
